The Seminar was fantastic! Andy and Shannon really do prepare you for boards! It's a fun and interactive jam packed 3 days. I'm so glad our entire class came to it. The instructors were very engaged and well thought out material. If your debating on going to one of Andy's board reviews- GO! You will not be disappointed at all! Every detail was thought out and planned smoothly! I promise you will not regret it.

100% recommend this review. The instructors and the book are very informative. Dental Hygiene Academy makes you feel so much ease with taking the national board. They stay up to date on all the latest with the exam. If you are trying to make a decision on which board review to do I would go with this one. You will not be dissappointed!

Best review ! The instructors/faculty do an awesome job of keeping everyone awake and interested for a crash course in everything you need to know! I learned a lot of ways to remember tough material !! If you considering Dental Hygiene Academy, don't hesitate! The book is so much better compared to other companies!!
