Questions to ask when choosing an NBDHE review:

1. Does the material expire?

a) Other online review systems expire whereas we have no expiration date!

2. Is there an included NBDHE review app?

a. Other online review systems do not include a downloadable app and other in person seminar companies' app has less than 500 questions with no case studies. We have over 6,000 questions including case studies!

3. What is the price?

a. We are the least expensive review method available anywhere!

4. How many hours/days of review is included for the live stream or in person seminar?

a. We offer three FULL days of review compared to 2.5 days from others.

5. How many pages of content is included in the review book?

a. We have nearly double the number of pages of study content and in all color!

6. How many review questions are in the textbook and do they include rationales?

a. Of all the other NBDHE review methods available, our textbook includes nearly 2-3 times the amount of practice questions which are all interactive and with rationales. There is a reason why students rate our book as the #1 book available!

AndyRDH I pass my boards!!! I am so grateful to chose you as my boards review!! All the information that I needed was in the book. After studying the material I feel that the test was easy compare to my 2 years of dental hygiene. Thanks again and I will recommend your review to everyone!!

Andy, I just found out I passed my board on the first try!! 🎉 I must have read your book 5 times cover to cover! Thank you so much. I felt so good leaving the NBDHE!! The in person seminar was very helpful and I'm so glad we used your program!! Thank you again from the bottom of my heart for making my dream of being a hygienist come true!

My classmates and I took our NBDHE on April 1st! We ALL PASSED!!!!!! I could not be more excited!!!!

I wanted to give a huge shoutout to Andy. Without your board review I'm honestly not sure where I would be. If you ever have a doubt on what to use for preparation for boards, don't hesitate. USE ANDY RDH!!!!!! — with Andy Codding.

I had failed the NBDHE 4 times! I was so close to passing every single time I took it. I spent tons of money on the test itself and a Student online study program, along with other study reviews. I wish I could go back and only purchase AndyRDH because that was by far the best program I used. I solely used that for my fifth attempt and passed! Andy was also very encouraging, and I found the seminar videos to be extremely helpful!
